IN RE: Application of Communications Billing, Inc.)	ORDER CANCELLING
for a Certificate of Public Convenience and)	CERTIFICATE
Necessity to Transact Business of a Reseller of)	
Interexchange Telecommunications Services)	
and for Alternative Regulation.)	

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Communications Billing, Inc. (CBI or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to provide resold intrastate interexchange telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted CBI authority to provide telecommunications services in the State of South Carolina by Order No. 1999-327, dated May 12, 1999.

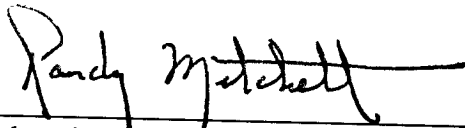

CBI, by letter dated April 17, 2006, and filed with the Commission on June 6, 2006, requests cancellation of the Company's Certificate. According to CBI, the Company was dissolved in its entirety in August, 2005.

As CBI is not providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that CBI's Certificate of Public Convenience and Necessity to provide telecommunications services in South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

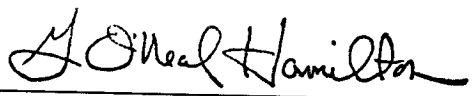

1. The Certificate of Public Convenience and Necessity to operate as a reseller of intrastate interexchange telecommunications services in the state of South Carolina authorized by Order No. 1999-327, dated May 12, 1999, issued to Communications Billing, Inc. is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
